Bonsucro declares that the above organization operates in conformance with the Bonsucro Mass Balance Chain of Custody Standard Version 3 (March 2011), for the production of the products mentioned on this certificate, as validated through audits and certification decision following the Bonsucro Certification Protocol. The certificate only validates the systems and procedures of the organization indicated above and are not valid for trade, and in particular, do not certify the compliance status or traceability of any specific batch or shipment of product.

This certificate including the annex remains the property of Control Union Certifications and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform CUC immediately of any changes in the above mentioned data. Only an original and signed certificate is valid.
