FOR THE EXTRAORDINARY GENERAL MEETING OF BRASKEM S.A.
TO BE HELD ON JULY 30, 2021**

Dear Shareholders,

The Management of Braskem S.A. ("Company" or "Braskem") hereby submits a proposal ("Proposal") in relation to the matters contained in the agenda of Braskem's Extraordinary General Meeting, to be held on July 30, 2021, at 03:00 p.m., in an exclusively digital manner, pursuant to article 4, paragraph 2, item I, and article 21-C, paragraphs 2 and 3 of Brazilian Securities Commission ("CVM") Ruling No. 481, of December 17, 2009 ("CVM Ruling 481"), through digital platform Webex ("Digital Platform" and "Meeting", respectively).

1. *To resolve upon the amendment and restatement of the Company's Bylaws, according to the changes contained in the Management Proposal, to transform the Compliance Committee into a Compliance and Audit Committee, set pursuant to the Bylaws*

The Company's Management proposes to the Shareholders resolving on the amendment and restatement of the Company's Bylaws, notably the amendment to Chapter VII, articles 29 and 30 of the Company's Bylaws, to provide for the transformation of the current Compliance Committee into a Compliance and Audit Committee, set pursuant to the Bylaws.

The Company explains that, since the enactment of the Sarbanes Oxley Act ("SOX") in 2002, Brazilian companies with securities listed in the U.S. organized markets became subject to more stringent rules in relation to the audit and internal control duties. In the past, the Company chose to comply with the SOX requirements related to the audit committees by assigning its usual duties to the Fiscal Council, the internal rules of which were changed to comply with the requirements in the U.S. rules, which structure remains in place to this date.

After discussing the matter, the Board of Directors proposes that, to better organize its internal structure, strengthen the Company's corporate governance and its commitment to the best ESG practices, the Compliance Committee should become a Compliance and Audit Committee provided for in the bylaws ("CCA"), on the terms of CVM Resolution No. 23/21 and so that the duties necessary to comply with the SOX requirements start to be discharged by the CCAE and no longer by the Fiscal Council.

For an ordered transition of said duties, the Company explains that the discharge, by the CCAE, of the duties of audit committee or similar body, for purposes of the SOX, if this matter is approved, shall only begin after the effective CCAE installation and election of its members, allowing for a better transition of the functions

of the fiscal council to the CCAE. In this same sense, until the CCAE is effectively installed and its members are elected, the Compliance Committee will remain in operation, regularly exercising its functions.

The origin and justification of each proposed amendment, as well as the annotated version of the provisions of the Company's Bylaws, with the proposed amendments, on the terms of article 11, item II, of CVM Ruling 481, are detailed in the comparative table contained in Exhibit I hereto. In addition, a copy of the Bylaws containing the highlighted amendments, in accordance with article 11, item I of CVM Ruling 481, can be found in Exhibit II hereto.

Shareholders' Participation:

The Meeting shall be held in an exclusively digital manner, reason why the Shareholders may only participate via Digital Platform, in person or through an attorney-in-fact duly appointed pursuant to article 21-C, paragraphs 2 and 3 of CVM Ruling 481, in which case the Shareholders may: (i) simply take part in the Meeting, whether the Shareholders have sent in the Bulletin or not; or (ii) participate and vote at the Meeting.

The access to the Digital Platform shall be forbidden for shareholders that do not submit the necessary participation documents within the deadline set herein, pursuant to article 5, paragraph 3, of CVM Ruling 481.

The Company explains that, exceptionally for this Meeting, the Company shall waive the sending of the physical counterparts of the Shareholders' representation documents to the Company's offices, as well as the certification of the authenticity of the grantor's signature on the power of attorney for representation of the Shareholder, the notarization, the consularization, the annotation and the sworn translation of all of the Shareholder's representation documents, sufficing to send a simple copy of the original counterparts of said documents to the Company's e-mail stated above.

The Company does not accept powers of attorney granted by Shareholders through electronic means (i.e., digitally signed powers of attorney without any digital certification).

The Company shall send the individual invitations to access the Digital Platform and the respective instructions to access the Digital Platform to the Shareholders that have submitted their requests within the deadline and under the conditions above, as already stated in the Manual to Participate in the Meeting.

Finally, all the exhibits are detailed in this Proposal in accordance with the laws and regulations.
