

EXHIBIT A - STANDARD TERMS AND CONDITIONS

WHEREAS, Braskem has selected Seller to provide "Products," and/or the performance of any services as defined in a Braskem "Purchase Order" issued under this Contract; WHEREAS, Braskem and Seller wish to provide a set of uniform terms and conditions to govern all Purchase Orders issued on or after the date of this Contract; and NOW, THEREFORE, the Parties agree as follows:

1. ENTIRE CONTRACT AND PURCHASE ORDERS

1.1 This Contract constitutes the entire agreement between Braskem and Seller, and supersedes all prior negotiations, representations, or agreements either oral or written, related to the subject matter of this Contract. For purposes of this Contract, any reference to "Braskem," "Purchaser," or "Buyer" shall mean Braskem America, Inc., and any reference to "Contractor" or "Supplier" shall mean Seller, unless this Contract has otherwise been modified in accordance with this Contract.
1.2 The shipment of the Products and/or the performance of any services (or the delivery of any deliverable arising therefrom) shall constitute acceptance by Seller of the terms and conditions contained in this Contract. Any terms contained in any invoice, future proposal or other acknowledgment of this Contract by Seller or proposed at any time by Seller in any manner, written or oral, which add to, vary from, or conflict with the terms and conditions in this Contract are deemed to be material alterations, and notwithstanding any acceptance of the Products by Braskem or other course of conduct, such terms shall be deemed to be objected to and rejected by Braskem without need of further notice thereof and shall be of no effect or in any circumstances binding upon Braskem unless expressly accepted by Braskem in writing. Written acceptance or rejection by Braskem of any particular additional term or condition shall not constitute an acceptance by Braskem of any other additional term or condition.

2. TERM
This Contract shall apply to all Purchase Orders awarded to Seller as of the Effective Date, unless specified otherwise in the Purchase Order, even if such Purchase Order will be completed after the Termination Date.

3. PRICES

Seller warrants that the Price is the lowest price for the Products charged by Seller to purchasers of a class similar to Braskem under conditions similar to those specified under this Contract and do not exceed the prices allowed by law. Seller warrants that all discounts and allowances afforded to Braskem are as favorable as those then offered by Seller to purchasers of a class similar to Braskem. Seller warrants that any price reduction made with respect to the Products subsequent to placement of this Contract will be applicable to this Contract. Except as otherwise expressly provided in this Contract, no charges or adjustments to the Price shall be permitted, except with Braskem's prior written approval.

4. SHIPPING

4.1 Seller shall ship the Products via the means of shipment specified in this Contract, or if none is specified, via a means of shipment that is appropriate for the type, volume and value of the Products, and taking into account the applicable delivery schedule. Seller shall comply, or cause its carrier to comply, with Braskem's facility access requirements applicable to the facility where the Products shall be delivered.

4.2 Seller shall be responsible for appropriate packing, marking and protection of the Products and for proper loading, blocking, and covering to adequately assure safe transit to the destination. No charge will be allowed for packing, shipment or handling unless stated in this Contract. Purchase Order numbers shall be shown on the Packing Slips, Bills of Lading and Invoices.

5. TITLE TO PRODUCTS AND RISK OF LOSS

Unless otherwise specified in this Contract, title to the Products shall pass to Braskem upon payment thereof by Braskem or upon delivery to Braskem's premises or other site designated by Braskem, whichever occurs earlier. Unless otherwise specified in this Contract, risk of loss to the Products shall pass to Braskem upon delivery of the Products to Braskem's facilities.

6. TESTING, INSPECTION AND ACCEPTANCE

6.1 Braskem shall have the right to inspect the Products prior to final acceptance, and upon reasonable notice to Seller, observe testing of the Products during manufacture and/or before shipping of the Products and shall have the right to review any and all test records and reports relating to the Products that are maintained by Seller. Braskem also shall have the right to conduct its own testing or inspection of the Products. Seller shall give Braskem prompt notice of when testing by Seller is expected to be performed and when the Products have reached the stage at which inspection or testing by Braskem may be carried out. Inspection and approval by Braskem at Seller's plant does not preclude rejection of the Products by Braskem for defects upon discovery by subsequent inspection, or in any way limit or affect any of Seller's warranties given with respect to the Products.

6.2 Braskem's payment for the Products shall not constitute inspection and acceptance of Products and shall not operate as a waiver of Braskem's right to reject the Products.

7. INVOICING

7.1 As a condition to payment of the purchase price or any progress or installment payment thereof, Seller must comply with the invoicing procedures of Braskem. Braskem may withhold payment or return invoices to Seller without liability or loss of discount privileges if: (i) invoices do not conform to Braskem's invoice procedures or contain errors; (ii) any portion of the Products delivered to date have proved not to be in strict conformity with the requirements of the Contract and Seller has failed to cure the non-conformity; or (iii) there is an on-going breach by Seller of a material term of this Contract.

7.2 Seller's acceptance of final payment shall constitute a waiver by Seller of its claims relating to or arising from this Contract. Seller's right to claim for or recover any alleged underpayment by Braskem shall be waived, unless the claim is made in writing and is received by Braskem within 180 days after the end of the Contract term, and if no Contract term, within 180 days after final acceptance by Braskem of the Products.

8. GUARANTEES AND WARRANTIES

8.1 Seller warrants that (1) it has good and merchantable title to the Products free and clear of any liens, restrictions, encumbrances or security interests; (2) the Products shall conform to the description and applicable specifications; and (3) the Products are consistent with any samples, models or designs provided by Seller and agreed by Braskem. Seller further warrants that the Products are of good and merchantable quality and suitable for its intended purpose, and free from any defects in design, materials or workmanship. Unless otherwise provided in this Contract, the "Warranty Period" shall be one (1) year from date of initial operation or usage but not to exceed eighteen (18) months from the date of acceptance by Braskem. The foregoing warranties are in addition to any express warranty or services guarantee given by Seller to Braskem or provided by law.

8.2 If, during the Warranty Period, the Products or any portion thereof fail to conform to the requirements of this Contract, or are otherwise found to be defective, excluding normal wear and tear, then, such non-conforming or defective Products shall, at Braskem's option, be promptly repaired or replaced at Seller's sole cost and expense ("Warranty Work"). Seller shall bear the expense of making good all other property destroyed or damaged by its defective Product or as a result of the Warranty Work.

8.3 Within five (5) business days after being notified in writing by Braskem that the Products fail to conform to the requirements of this Contract, Seller, with a workforce acceptable to Braskem, shall commence, and thereafter complete as rapidly as reasonably possible, repair or replacement of the non-conforming Products or services. Notwithstanding the foregoing, if in the sole discretion of Braskem, the non-conforming or defective Products or services create an immediate risk to person or property or the Products are critical to Braskem's operations, Braskem may undertake the Warranty Work and charge Seller for all reasonable costs associated with the Warranty Work. In no event, will any work undertaken by Braskem pursuant to this Article limit, impair or void any performance or other guarantees or warranties provided by Seller.

8.4 Any Products or services repaired or replaced hereunder shall have the warranties herein provided for longer of (i) the remainder of the original warranty period or (ii) six (6) months from the date on which the repaired or replaced Products or services are accepted by Braskem.

8.5 The warranties set forth herein shall not affect or limit any of Braskem's other rights or remedies provided by the Contract or applicable law, and shall not be deemed to establish a period of limitation or prescription within which such other rights or remedies must be asserted.

9. NONDISCLOSURE AND OWNERSHIP

All plans, drawings, designs, processes and specifications supplied by Braskem to Seller shall remain the sole and exclusive property of Braskem, and any information derived therefrom or otherwise communicated to Seller, shall be regarded by Seller as strictly confidential and shall not be disclosed to any third party without the prior written consent of Braskem.

10. INTELLECTUAL PROPERTY RIGHTS

For purposes of this Article, "Intellectual Property Rights" shall mean and include any U.S. or foreign patent, copyright, trade secret, trademark or any other property or proprietary right of a third party. Seller represents and warrants that the Products, including any labels or trademarks affixed thereto by or on behalf of Seller, are free from any claim of a third party for infringement or misappropriation of any Intellectual Property Rights and that neither the Products nor use thereof by Braskem will infringe on any Intellectual Property Right. Seller shall (i) defend, at Seller's sole expense, indemnify and hold Braskem harmless from any claim, suit, action or proceeding for alleged infringement or misappropriation of any Intellectual Property Rights associated with the Products; and (ii) shall (a) procure for Braskem the right to continue to use the Products; (b) replace the Products with an equivalent non-infringing product; or (c) with the prior written approval of Braskem, remove the Products and refund all payments made by Braskem for the Products. The indemnities set forth in this Article 9 shall include, without limitation, the obligation to pay and discharge any and all judgments, decrees, penalties and awards which may be rendered in any such suit, action or proceeding against Braskem, its parent or their respective subsidiaries and affiliates and all court, arbitration and mediation, attorneys' fees and other out-of-pocket expenses incurred in connection with such claims, lawsuits, actions or proceedings.

11. TERMINATION

Braskem may, upon five (5) business days' written notice to Seller, terminate this Contract, whether Seller is in breach of this Contract or not. If Braskem terminates this Contract for convenience, Seller shall receive, as its sole and exclusive remedy, payment for the Products supplied up to the date of the termination or the progress payments due as of the date of termination. Seller shall not be entitled to recover profits on the unperformed portion of this Contract. After receiving a notice of termination, Seller shall place no further orders for material or equipment and issue no further subcontracts, and shall stop work on the date given in the notice. Seller shall consult with Braskem regarding the disposition of existing orders and subcontracts, and use its best efforts to terminate them on terms favorable to Braskem.

12. CHANGES AND CANCELLATION OF PURCHASE ORDERS

12.1 Braskem may, at any time after issuing a Purchase Order for Products prior to the date on which the Products are shipped, change or cancel a Purchase Order, and Seller shall comply with any such change or cancellation. Seller will charge Braskem only for net costs of those Products delivered to and retained by Braskem as of the date of the change or cancellation or the progress payment due as of the date of the change or cancellation, as applicable. Unless otherwise provided in this Contract, Seller shall not charge Braskem for any cancellation or change in a Purchase Order; provided, however, that Braskem shall be responsible for all costs to transport and deliver Products that must be returned due to such cancellation or change in a Purchase Order.

12.2 Braskem shall have the right to change the specifications. If any such change causes an increase or decrease in the Purchase Order sum or the time required for performance, or any other provision of the Contract, Seller shall be entitled to an equitable adjustment of the Purchase Order sum or delivery time or both (whichever is applicable). Equitable adjustments will be negotiated in good faith and any changes to the Contract terms that are agreed upon will be set forth in a written Contract Amendment or in a Change Order to the Purchase Order and signed by both Parties. A fully executed Contract Amendment or a Change Order to the Purchase Order shall constitute the full and final adjustment for a specified change, shall bar further changes to any Contract terms, and shall be binding on both Parties.

12.3 If Braskem orders a change or takes any action that Seller considers to be a change to the specification, Seller shall submit to Braskem, within ten (10) business days of receiving notice of the change, a written claim for amendments to the Contract due to the change. Seller's failure to submit a claim within the allowed time shall constitute a waiver of the right to any equitable adjustment on account of the change.

12.4 This Contract may not be changed, amended, augmented, rescinded or modified, in whole or in part, unless it is in writing and signed by Seller and Braskem.

13. INDEPENDENT CONTRACTOR

Seller agrees that it is an independent contractor with respect to the transactions contemplated by this Contract and that neither it nor its employees shall be considered employees of Braskem. Seller shall have no authority to make any statements, representations, or commitments of any kind, or to take any action binding upon Braskem.

14. NO THIRD PARTY BENEFICIARIES

Nothing in this Contract, express or implied, is intended to or shall be construed to confer upon or give to any person, firm, corporation, or legal entity, other than the Parties hereto, any rights, remedies or other benefits under or by reason of this Contract.

15. TAXES

Unless otherwise required by law, Seller has exclusive liability for sales, use, excise and other taxes, charges or contributions with respect to or imposed on any material or equipment supplied or services performed by Seller, including such taxes or contributions imposed on the wages, salaries or other payments to persons employed by Seller or its subcontractors in the performance of this Contract. Any applicable state and/or local sales or use taxes due on the Products are the duty of the Seller to collect and shall be separately stated on all invoices. Seller shall not collect or include any sales or use taxes on the Products or for which Braskem provides Seller with a properly completed exemption certificate. Seller shall pay all such taxes, charges, or contributions before delinquency or discount date and shall indemnify and hold Braskem harmless from any liability and expense due to Seller's failure to pay such taxes, charges or contributions.

16. SAFETY DATA SHEET REQUIREMENTS

In accordance with the Occupational Safety and Health Administration's Hazard Communication Standard, 29 CFR 1910.1200, Seller shall provide to Braskem all Safety Data Sheets (SDS) applicable to the Products purchased at or before the time of the initial purchase. All updates to such SDS shall be provided to Braskem with the first shipment after updating. Seller shall send a copy of such SDS to each of Braskem's receiving facilities to the operating unit receiving the Products, and an additional copy of the SDS to Braskem Products Safety Group, 750 West Tenth Street, Marcus Hook, Pennsylvania 19601.

17. INDEMNITY

Seller agrees to defend, hold harmless and indemnify Braskem, its parent, their subsidiaries and affiliates, as well as their employees, agents, officers, directors, invitees, partners, and their assigns and successors in interest ("Indemnitees") from and against any and all claims, liabilities, expenses (including reasonable attorneys' fees), losses, damages, demands, fines and causes of action caused by, arising out of, (i) Seller's failure to comply with applicable laws and regulations; or (ii) the Products; or (iii) acts or omissions of Seller, that of its suppliers, subcontractors, agents, servants or employees, as well as any joint negligence or fault of the Indemnitees, whether or not such actions or omissions occur jointly or concurrently, provided, however, that Seller's obligations hereunder shall apply only to the extent of its percentage share of the causation, as determined by agreement with Braskem or, if there is no agreement, then as determined by a court of competent jurisdiction or arbitration or administrative proceeding. Seller's defense, hold harmless and indemnity requirements, as set forth above, shall also extend to injuries sustained by Seller's employees and shall not be limited by any applicable workers' compensation law or similar statute. For services performed at Braskem's Oyster Creek and Seadrift Texas facilities. Seller agrees to indemnify, save harmless and defend The Dow Chemical Company ("Dow"), as landlord under that certain Ground Lease dated September 30, 2011 by and between Braskem and Dow, its successors, and assigns from and against any and all liabilities, claims, penalties, forfeitures, suits, and the costs and expenses incurred thereto, (including costs of defense, settlement and reasonable attorneys' fees) arising out of, relating to or caused any act or omission of Seller. This Article shall survive termination or cancellation of this Contract.

18. LIENS

To the full extent allowed by law, Seller hereby waives its right to assert any mechanic's lien or similar lien claim against Braskem, its facilities or the Products. Seller shall defend indemnify and hold Braskem harmless from all resulting costs and attorneys' fees from all such claims or any mechanic's lien claim that is brought by any person supplying labor or materials in connection with the Products or services performed. If any mechanic's lien is placed upon any portion of, or interest in, Braskem, its facilities, or the Products, Seller will promptly remove the lien, upon receiving notice from Braskem or, failing that, will be liable for Braskem's costs and attorneys' fees for doing so.

19. FORCE MAJEURE

Neither Party shall be held responsible for any delay or failure in performance of any part of this Contract to the extent such delay or failure is caused by force majeure conditions and not the fault or negligence of the delayed or non-performing party or its subcontractors. The term "force majeure" as used herein shall mean acts of God, fires, explosions, floods, unanticipated weather events that are unavoidable and unusually severe, acts of public enemy, insurrections, riots, embargoes, orders, or acts of civil or military authority, or other causes of a similar nature. Upon the cessation of the force majeure event, the party that had given original notice shall again promptly give notice to the other Party of such cessation. If the force majeure event continues for a period of at least ninety (90) calendar days, the other Party may terminate, at no charge, this Contract or a Purchase Order under this Contract.

20. COMPLIANCE WITH LAWS

Seller warrants that all work performed incident to this Contract and all Products furnished pursuant to this Contract shall comply with all applicable federal, state and local laws, ordinances and regulations. Seller warrants and agrees that it has used and will continue to use due diligence to ensure that during the performance of this Contract, no officer, employee, agent or other representative of Seller has made or will make any payment in violation of any applicable federal, state, or local law or regulation. Seller shall supply such evidence of compliance as Braskem may require. In performing this Contract, Seller shall not discriminate or permit discrimination against any person because of race, color, religion, national origin, sex, disability, covered veteran status and/or sexual orientation. In the event of such discrimination, Braskem may, in addition to any other rights or remedies available under this Contract, at law or in equity, terminate this Contract forthwith.

21. WAIVERS

No waiver by either Party of any breach of any of the covenants or conditions herein contained shall be construed a waiver of any succeeding breach of the same or of any other covenant or condition.

22. ASSIGNMENT

Seller shall not assign this Contract or any claim against Braskem arising directly or indirectly out of or in connection with this Contract without Braskem's prior written consent.

SET OFF

Seller grants Braskem, without waiver or limitation of any rights or remedies of Braskem, the right to set-off and apply any amounts owed by Braskem to Seller or Seller's successors or assigns against any amounts owed by Seller or Seller's successors or assigns to Braskem or any collateral held by Braskem as security for any indebtedness owed by Seller to Braskem.

The Parties agree that any dispute that cannot be resolved amicably shall first be submitted to mediation before a mutually acceptable mediator, prior to either Party's resorting to legal action. If the mediation has not concluded within sixty (60) calendar days of the initial demand, in writing, for mediation, either Party may then pursue litigation in accordance with this Section, without further recourse to mediation. If the Parties are unable to agree upon a mediator within thirty (30) calendar days after either notifies the other in writing of its intent to mediate, the mediator shall be appointed by the American Arbitration Association located in closest proximity to where the Products are delivered.
